SAINT OF THE WEEK

- St. Thomas Aquinas's Feast Day was on Friday, January 28th. He is the patron saint of Mrs. Poussard's Middle School Science class!
- St. Thomas lived in the 1200s, and he contributed more to the intellectual tradition of the Church than perhaps any other saint.
- He was an incredible student and teacher of theology, and for this reason, he is known as the Patron Saint of Catholic Schools!

THE WEEK IT WAS

- Students worked hard on this past week's Winter MAP Testing - well done to all!
- Anticipation for the big snowstorm was building among students as the week carried on - we hope our students enjoyed the weekend!
- Preparations for Catholic Schools Week are complete - we are excited for the week ahead!
