

ST. AUGUSTINE'S SCHOOL SHOPS LOCAL!

With the holiday season fast approaching, we would like to encourage the St. Augustine School community to shop local. During this time of the pandemic, small businesses have suffered a great deal, and this will be a great way to support those within our community. We are inviting any St. Augustine School families that own, work for, or are affiliated with a local business to submit the business name, address, and website by Sunday, November 29th. The flyer will be distributed electronically as part of the Guild Newsletter and on Facebook Sunday, December 6th.

Please email all submittals to
