SAINT OF THE WEEK

Blessed Carlo
Acutis

- Blessed Carlo Acutis was beatified on October 10th, 2020! Beatification is the step immediately before canonization, so he is almost a canonized saint!
- Blessed Carlo could become the first-ever millennial saint. He was born in 1991 and died in 2006 (age 15) from leukemia.
- He is known for being a computer whiz, and he enjoyed video games.
- He had a deep devotion to the Eucharist, and he is remembered for creating websites that documented Eucharistic miracles.
- Blessed Carlo shows us that even young people can become saints!

THE WEEK IT WAS

- We finished off a short week and celebrated our Day of Discipleship on Wednesday!
- On Wednesday, students offered their time, talent, and treasure to God - **time** by praying the rosary during the Archdiocese Holy Hour, **talent** by participating in the Year of St. Joseph Art and Essay Contest, and **treasure** by donating items to the Lawrence Pregnancy Care Center.
