SAINT OF THE WEEK

- St. Faustina's Feast Day was Tuesday, October 5th.
- St. Faustina was a nun from Poland who lived from 1905-1938.
- She famously received visions from Jesus, who asked her to share His message of Divine Mercy throughout the world!
- As a school, we pray the Divine Mercy Chaplet right before 3:00pm, which is the Hour of Mercy, since it is the hour that Jesus died on the cross.

THE WEEK IT WAS

- We officially completed one full month of the school year!
- While students enjoyed an extended long weekend with the day off on Friday, our faculty ended the week with an inspiring Professional Development Day at St. Monica's School in Methuen!
