## SAINT OF THE WEEK

St. Elizabeth of  
Hungary

- St. Elizabeth was a Hungarian princess who lived from 1207-1231.
- Although she could have lived a life of royalty, she chose instead to devote her life to God and to the poor.
- She embodies Pope Benedict XVI's famous words that, "We are not made for comfort, but for greatness."

## THE WEEK IT WAS

- We returned from our four-day weekend having celebrated Veterans Day as a school.
- Our school enjoyed a successful Open House, introducing many families to our community.
- We celebrated three of our students – Bo, Tatum, and Emily – who won the Archdiocese-wide St. Joseph Art & Essay Contest for their grade-levels!
