SAINT OF THE WEEK

St. Francis Xavier

- St. Francis's Feast Day was Friday, December 3rd.
- He was a Spanish priest and missionary who lived from 1506-1552.
- He was college roommates with St. Ignatius of Loyola, who eventually led him to leave his job as a professor and become a priest.
- These two saints teach us about the importance of friendship on the path to sainthood. As Proverbs states, "Iron sharpens iron" (27:17).

THE WEEK IT WAS

- We began the season of Advent by lighting our Advent candles at Morning Prayer and celebrating our First Friday Mass!
- We also welcomed one special student, Izabella from the Kindergarten, into our Church as she was baptized at our School Mass!
- We distributed report cards to all K-8 students on Friday and will hold Parent-Teacher Conferences next week.
