St. Joseph of
Cupertino

SAINT OF THE WEEK

- St. Joseph of Cupertino, whose Feast Day is tomorrow, lived in the 1600's, and he was a Franciscan friar.
- When he was in seminary, he was not the brightest student, and he often failed to study, but he was known to successfully pray that he would only be asked questions that he knew the answers to.
- We do not recommend this as a test-taking strategy, but St. Joseph of Cupertino is known as the Patron Saint of Test-Takers for this reason!

THE WEEK IT WAS

- We completed our first full week of school and are beginning to hit our stride for the year!
- We celebrated Pink Day in memory of Colleen Ritzer and asked students to spread kindness!
- We enjoyed a great Ice Cream Social, powering through the rain! Thank you, Parent Guild!
