St. Padre Pio

SAINT OF THE WEEK

- Padre Pio's Feast Day was this past Wednesday.
- He lived in Italy as a priest from 1887-1968 – he is a true modern-day saint!
- He was known for being able to levitate during prayer and bilocate! He also bore the stigmata, meaning he bore Christ's wounds on his body.
- He would spend days in prayer and in the confessional, offering people spiritual guidance.

THE WEEK IT WAS

- We nearly completed MAP testing – our students did great!
- Our community celebrated Mr. and Mrs. O'Dea's many years of service to school on Tuesday!
- Our parents had a chance to head “back to school” on Wednesday and Thursday!
